Musical Appearance by Teen Challenge Choir

Community leaders will be joined by members of the community at this 3rd annual breakfast meeting of prayer, worship, music and testimony. Hear Teen Challenge Women's choir sing of God's grace and His amazing love.

Teen Challenge Women's choir was formed early in 2010, where the current ladies of the program sing of God's grace and His amazing love. From defeat and desperation to a newfound place of hope for the future, they share their hearts, lives and transformation stories. You will be blessed as you hear them sing and testify.

Teen Challenge GTA is a 12 month, faith-based, residential rehabilitation program located in King City, Ontario, Canada, near Toronto, which offers young women ages 18 and over, freedom from drug and alcohol dependence. Based on Christian principles and funded entirely through donations, the program offers spiritual, academic and vocational training, equipping individuals to return to society as responsible citizens.

Teen Challenge holds a remarkable high documented cure rate. Statistics show that many secular government-funded drug rehab programs have less than a 10% cure rate post treatment. Independent research has consistently shown that over 70% of Teen Challenge graduates have remained clean and drug-free – when surveyed five years after graduation!
