WE BELIEVE

By coming together and praying for all levels of government, in conjunction with many other regional prayer breakfasts throughout North America, we can make a lasting impact.

"Jesus Christ is the Way, the Truth, and the Life; no one comes to the Father except through Him." (John 14:6)

The Bible is the inspired, infallible Word of God (2 Timothy 3:16)

The Aurora Prayer Breakfast Committee is an extension of representatives of local churches in Aurora. We are distinctively Christian in nature and welcome all people of any faith or belief to attend.

Prayer as the Foundation of a Peaceful and Secure Community

Aurora Prayer Breakfast

The Aurora Prayer Breakfast is a not-for-profit event, focusing on the gathering to pray for our elected officials, business leaders and the residents in Aurora: as taught in I Timothy 2:2 of the Holy Bible. In addition, we are impacting the Youth of our region who will become the leadership of the future. It is our desire to have approximately 150 of the 500 available seats filled by students.

What is a Prayer Breakfast?

A Prayer Breakfast is a program whereby the entire community gathers together at a breakfast meeting of approximately 500 attendees to pray for every aspect of our community. It is planned and managed by a committee composed of representatives of local churches to invoke God's blessing on everyone.

All aspects of the community are prayed for:

- all 4 levels of our government - federal, provincial, regional and municipal
- our education system
- our emergency services - police, fire, EMS
- our health care system - practitioners and the hospital leadership
- our businesses
- our charities
- our churches

Benefits to the Community of an Annual Prayer Breakfast

- excellent educational value to students of our community. We endeavour to provide free tickets to them. They include approximately 30% of those attending.
- businesses sponsor the students who come free. This provides an excellent opportunity for businesses to contribute to building good character in our students and further their reputation in the community. Students are invited to take part in the program.

prayer contributes positively to building good character in all of our citizens in encouraging respect in every part of our community and building unity of purpose.

- building relationships between the various players in our community. Businesses supporting and encouraging charities, churches volunteering in social service programs, parents and churches volunteering in our schools, businesses and charities co-operating with various levels of government, and many more.
- the opportunity to hear a speaker whose personal and/or business experience has something worthwhile to contribute to how we each interact with our community in the most beneficial way.
- the opportunity to showcase musical talent and benefit from their inspiration.
- the opportunity for each person attending to interact and encourage hundreds of others in our community.
