

WELCOME! Help us celebrate CANADA's 150th in 2017!

The Prayer Breakfast in Newmarket is joyfully hosted by **One Church Southlakes Region – Churches Together**. It is a grass-roots collaborative, unity-initiative, with churches, businesses, not-for-profits, leaders and schools, ALL gathering together to pray, bless and intercede on behalf of and for others. It is envisioned as an annual, not-for-profit, community event, focusing on uniting in prayer for elected officials, business leaders, youth, our future and the residents in Newmarket and surrounding Southlakes Region areas. This community, youth and leadership development initiative is growing and provides the unique opportunity to COME TOGETHER around the proverbial breakfast table of hospitality our Town and surrounding area, is so known and loved for!

We choose to celebrate our dynamic and diverse community, where nothing is ordinary! Here in Newmarket, we deliberately choose to do and live **Well Beyond The Ordinary!** Our Town of Newmarket is an ever-evolving and progressive, eclectic blend of rural and urban, a unique mix of small-town and city living, with an authentic emphasis on fostering community character, where we care for and about one another.

Tap into this diverse, vibrant celebration and pledge of support and encouragement for leadership, in all its shapes and sizes. Here, we pause together, to reflect on the ideals, spirit and quality of life of a regional 'growing family'!

We invite you to come out in 2017 again in great number to **support The One Church Southlake Prayer Breakfast**, which will be hosted graciously here in the heart of our Newmarket-community, at the Newmarket Community Centre and Lions Hall 8th March 2016. ALL ARE WELCOME!
