Mayor's Prayer Breakfast

Keynote Speaker:

Brett Ullman

Often introduced as an expert on media influences, Brett Ullman travels North America speaking to adolescents, leaders and their parents on topics including sexuality, substance abuse and self-injury. Driven by a desire to discuss, explore and share the reality of living in a media-saturated world, Brett's seminars engage and challenge attendees through high-impact, technology-driven presentations. Participants are inspired to reflect on what we know, what we believe and how our Ancient Faith ought to serve as the lens through which we view and engage modern culture.

Brett leads and directs Worlds Apart, a charity focused on empowering individuals to re-align their lives with Biblical core values often muddled by media but central to Christian living.

Worlds Apart has reached hundreds of thousands of young people, youth workers and parents across North America; challenging individuals to carefully examine the ways each of us respond and interact with modern media Christian.
